

# Waterloo social housing tenants We need your help

Please do the online survey being conducted by the  
University of NSW

The online survey aims to assess the potential impacts of the Waterloo renewal on Waterloo tenants' health and wellbeing.

All tenants who live in social housing in Waterloo and are 18 years or older can participate. The survey takes 10-15 minutes and is available in English, Chinese, Russian and Vietnamese.

For more details about the study and how to participate:
